

Delivering Joy

19 November 2025

Welcome to Perth

Designed to be transformational for Perth and the Region in terms of economic, social, community, and cultural wellbeing:

- Re-igniting civic and community pride through the Stone of Destiny as the icon of Perth's place in Scotland's bigger story.
- Growing the social capital and asset base of Perth and Kinross through increased cultural participation including enabling communities to tell their own stories.
- Enhancing the image and perception of Perth as a place to live and work.
- Growing the visitor economy in the region and supporting the regional tourism strategy.
